Personal Statement

Brian Farr is a Licensed Professional Counselor in Portland, Oregon. His professional work includes psychotherapy, financial therapy and coaching with individuals, couples and small business owners. He uses a wide variety of therapeutic interventions and financial techniques to help clients recognize the patterns behind their financial behaviors, develop effective strategies to improve all aspects of their finances, and sustain successful changes.

Brian's interactions with clients are enriched by his extensive experience in the world of business. During the 25 years prior to becoming a Licensed Professional Counselor, he was a founding partner of an investment management firm, owner/manager of a medical staffing agency and member/broker at the Chicago Board of Trade.
