Personal Statement

Born out of a desire to serve families, Marriage and Money Matters was formed to help families face with confidence the numerous financial hurdles that occur during marriage. Ed feels blessed to be traveling a unique path in life that has included professional fire fighting, international micro finance work, high net worth client services for Vanguard Mutual Funds and becoming a marriage counselor. It is from these diverse experiences that Ed has learned we are all connected by money in our life. Each of us is on a unique journey, and his desire is to help you make it meaningful.
