## Personal Statement

Debra L. Kaplan, MBA, MA, LPC, CMAT, CSAT-S is a licensed therapist, author and speaker. After a successful career on Wall Street as a commodity option-trader, where power and control are legendary, Ms. Kaplan brought her financial acumen and skillset into the clinical realm where she specializes in issues of attachment, money and wealth obsession, sexual addiction/compulsivity and relational currency; issues that are often rooted in unresolved childhood trauma. Debra lectures internationally on trauma and addiction and authors articles and blog publications. Her book, *For Love and Money: Exploring Sexual & Financial Betrayal in Relationships* was published in 2013 and is the inspiration for the groundbreaking clinical training, *For Love and Money®*, geared to clinicians who wish to understand the often hidden dynamics of sex, money and power in relationships.
